Note:

1. Effective from 28th June 2019, TIGP-BIO students are required to pass their thesis proposal examination after passing the TIGP-BIO qualification exam before the end of their fourth year. Students registered with National Taiwan University who fail their thesis proposal examination may re-apply again before the end of the stipulated duration. The student can only have one chance for re-examination. Failure of the examination for the second time will result in expulsion from the TIGP-BIO program.
2. Minimum 3 of Committee Members are required.
